Calling Pieces

Supplies:

- Printer
- Card stock (8.5x11)
- Scissors
- Marking Pieces

Instructions:

1. Print and cut-out Halloween Bingo Cards and Halloween Bingo Calling Pieces.
2. Pick some kind of object to mark your squares. {Like candy corn, beans, M&Ms, smarties, wrapped candy, cereal, or any other small items}
3. Give each player a bingo card and markers.
4. The caller will draw a calling piece and announce the item on the card. Each player will cover that item on their card with a marker. Once a player has 4 squares covered in a row {horizontally, vertically, or diagonally}, they call out "BINGO!" and win the game.
