# HOUSE CUL-DE-SAC COOL

*Be that WINTER IS COMING, we,  
the House of Cul-de-sac Cool, bestow upon you and  
yours, PEACE ON EARTH during this festive,  
yet crazy time of year. May your lands be mowed,  
your bellies full and your hearth filled with  
LOVE, LAUGHTER and FUTBOL  
now and throughout the grand year of next.*

"Which of the  
seven kingdoms  
has better WIFI?"

"Happy wife,  
happy life."

"I want a throne  
in every room!"

"Where is the girl with  
the dragon?"

"Not only am I the Hand of  
the King, but I have one  
heck of a foot too."
