

# PUMPKIN PUDDING CAKE MIX

ooo *in a jar* ooo

## DIRECTIONS:

Add entire jar of ingredients into a medium bowl. Add in 1 stick Melted Butter, 1 cup Milk, 1/2 Cup Heavy Cream and 1 can of Pumpkin, 15 oz. Mix well until powder is combined. Spray non-stick spray into a cake pan and spoon in your cake mixture. Spread evenly. Bake at 350° F (177° C) for 40 minutes. Cool for at least 15 minutes so it firms up and slices easier. Cut into squares and serve with a scoop of vanilla ice cream or whipped cream on top. Makes 12 servings.
